

SUMMER UNDERGRADUATE DATA SCIENCE (SUDS) PROGRAM

SUDS attracts undergraduate students from across Canada who are exploring data science as a career path

BECOME AN INDUSTRY PARTNER

Provide SUDS Scholars with internships in your company

We promote your internship opportunities and prioritize applications. Students receive data skills & professional development training from DSI

Recruit the next generation of diverse data science talent

Feature your company at the DSI Data Science @ Work Series
Invitation to the annual SUDS Showcase and DSI Research Days

Work with SUDS Scholars on a priority project

You and your student will engage with the DSI community, research and training events

Opportunities posted in December for 2023 internships.
